## Tribe LCR inwall

The all-enclosed, meticulously crafted, and astonishing Tribe LCR speakers unfold Totem's legendary imaging, off-axis performance and full-range musicality with majestic and awe-inspiring sound. They completely redefine architectural speaker performance and imaging standards.

TRIBE LCR is thoroughly equipped with interrelated proprietary Totem technology. Shockingly powerful, lightning fast bass is presented by Neodymium Actuated Enriched MHEX woofers. They are complimented by MAC passive radiators that tune the cabinet's bass ability to perfection. Oversized Silk Dome tweeters emit a fluid and impeccably airy presence. This level of engineering allows TRIBE LCR to present perfect sound staging and phase correctness for an emotion-filled musicality.

Designed to engulf and immerse the listener in a totally realistic and believable 3D sonic experience, the Tribe LCR redefines exactness, speed, and musicality. Equally skillful for music, movies, or gaming, they perform with astonishing presence, no matter the size of your space.

# Specifications / Features

Frequency Response:	50 Hz - 30 kHz $\pm$ 3 dB
Recommended Power:	30 - 140 W
Passive Radiators:	Dual 5" Metal Amalgamation Compound
Woofers:	Twin 4"/10.16 Neodymium Actuated Enriched MHEX woofers with High Excursion Surrounds in Outsized Cast Baskets
Tweeter:	1 1/8"/29mm Soft Dome
Impedance:	6 ohms
Sensitivity:	90 dB
Dimensions:	(W x H x D): 7.09" x 25.51" x 3.75" / 180 x 648 x 95.25 mm
Cutout:	6.37 x 24.8 / 161.8 x 630 mm

1 1/8" proprietary oversized Silk Dome Tweeter.

Proprietary Twin Neodymium Actuated Enriched MHEX with high excursion surrounds in outsized cast baskets.

Proprietary Metal Amalgamation Compound high excursion passive radiators.

## Enormous Dispersion

Tribe Architectural disperse at 75 degrees, almost twice as broadly as competitive speakers. Acoustic coverage is totally present throughout the entire listening area. The enormous dispersion allows the listener to enjoy the same sound whether seated or standing, simplifying placement.

Grill Type: Magnetic, Paintable, virtually bezel-less white metal

Speaker Terminals: two sets of 5-way gold plated binding posts

Accessories: Pre-Construction Brackets Optional

## Micro-Perf Grill

The almost bezel-less design only adds 4 mm in total width. Micro-perforations provide a uniform look without showing what lies behind.

## Pre-Construction Kit

As the Tribe Architectural models are all quite substantial, the kits are equally robust. Frames and wings aren't plastic, they're made of metal.
